Organisation, Functions and Duties

[Section 4(1)(b)(i)]

Particulars of the organisation, functions and duties:-

Sl. No.	Name of the Organisation	Address	Functions	Duties
1	Directorate of Economics and Statistics	1 st Gate, 7 th Floor, Multistoried Buildings. Bangalore- 560001	<p>The Statistical system in Karnataka consists of the Directorate of Economics and Statistics (DES) and the Statistical Divisions in other departments of the Government. The headquarters of the DES is situated at the State Capital (Bangalore) and is headed by the Director. It is functionally organized into seven technical divisions each headed by a Joint Director and Administration and Accounts Division headed by one more Joint Director(Adm). The technical divisions are:- (i) Agriculture Statistics Division (AGS) ii) Publication (PUB) attached to AGS, (iii) Agricultural Census, Rainfall and Computer Division (ARC), (iv) Civil Registration, National Sample Survey and Local Body Statistics Division (CNL), (v) State Income, Industries and Prices Division (SIP), Coordination and Planning (COP) attached to SIP Division, (vi) Crop Insurance Division (CIS) vii) Economic Census Division. Each 'Division' is headed by a Joint Director and is divided into different sections. A group of sections, generally two or three is headed by Deputy Director. Depending upon the work load each technical section is manned by Deputy Director/ Assistant Directors/ Assistant Statistical Officers, Statistical Inspectors and Enumerators. The Administration and Accounts Division each is manned by Gazetted Manager, Superintendents, First Division Assistants and Second Division Assistants.</p> <p>Each of the 30 districts of the State has a District Statistical Office headed by a District Statistical Officer in the rank of a Deputy Director. The District Statistical Officer is assisted in technical matters at the district headquarters, by the Assistant Director, Assistant Statistical Officer, Statistical Inspectors and Enumerators. The number of supporting staff in each District Statistical Office varies according to the size of the district. The District Statistical officer is assisted by ministerial staff for</p>	

			<p>day-to-day administration work. At the taluk (tahsil) level, one Statistical Inspector and one Enumerator are stationed in the office of the Tahsildar for statistical work. These two functionaries are under the control of the District Statistical Officer and for day-to-day work, under the Tahsildar</p> <p>The Statistical Divisions of other departments cater mainly to the specific needs of the departments concerned and are headed by officers in the rank of Joint Director/ Deputy Director/ Assistant Director depending upon its size and need. However, there are a few Statistical Divisions manned only by non-gazetted staff. The number of supporting technical staff, viz., Assistant Statistical Officers, Statistical Inspectors and Enumerators vary from department to department.</p> <p>Apart from the departments under the purview of the Karnataka Economic and Statistical service, a few more departments/ boards and corporations/ organizations of the Government of Karnataka such as BWSSB, KUWSDB, KHB, KSBPE/BMP etc., have also borrowed personnel from the Directorate of Economics & Statistics. In particular, it needs to be mentioned that the planning machinery of the Zilla Panchayats is manned by personnel on deputation from DES. In addition sizable, officers and officials of the DES are on deputation to Planning Secretariat.</p> <p><u>OBJECTIVES AND FUNCTIONS/ ACTIVITIES:</u></p> <p>The DES is responsible for providing the data base necessary for formulation of programmes and policies by the Statistics and for monitoring and evaluation developmental, regulatory administrative and service functions. Statistical data on various socio-economic activities of the State are being collected, processed, analysed and published from time to time. While the DES is responsible for collecting directly information through its own functionaries, a major part of the statistical information is also being mobilized with the help of other departments. The main functions of the DES can broadly be classified as follows:</p> <ol style="list-style-type: none"> i) Collection, classification, compilation, analysis and presentation of the data on various socio-economic aspects of the State in a scientific/ systematic manner and dissemination of the same through periodic publications. ii) Conducting sample surveys and other adhoc field

			<p>assisting in the formulation of a sound statistical system/ sub-system, (iv) standardization/ clearance of all schedules/ formats, etc., meant for collection of statistical data, (v) ensuring adoption of uniform concepts and definitions of terms used in the collection of statistical data, (vi) ensuring elimination/ minimization of duplication of statistical work among other departments and (vii) suggesting ways and means for optimum utilization of resources applied for collection of statistics. Further, it is responsible for examining, in detail, the working of the Departmental Statistical Divisions (DSD) with a view to rationalize/ streamline their working, in particular, (i) to orient the 'D S D S' data collection programmes to the needs of the Departments concerned, (ii) chalk out an annual data collection programme, (iii) lay down formats, periodicity, time-schedule, stages and types of tabulation, the content of the final output/ publications etc.,</p> <p>The District Statistical Offices are mainly engaged in mobilization of the data required by the DES for fulfilling its functions. The district and taluk level staff are not only engaged in the field work relating to the surveys entrusted to them, but also in the collection of various types of data emanating from other departments for which the DES is dependent on them (all secondary data-on education, co-operation, health etc.,). In addition, the District Statistical Offices bring out district level publications. All the 30 District Statistical Officers have been provided with a vehicle, either own or hired & also with a computer.</p> <p>As already noted above, the functions of the Departmental Statistical Divisions relate mainly to fulfilling the Statistical needs of the departments concerned. In particular, they are engaged in mobilizing data required for formulation of departmental programmes and policies and monitoring and evaluation of such programmes.</p> <p>Collection, processing and analysis of statistical data culminate in the preparation and issue of statistical publications/ reports from time to time. Annually, around 70-80 reports/ publications including the district level ones are being brought out by the DES.</p>
